Can you find all of the Buster Keatons hidden around town?

There are twenty-nine to be found, all of them in public places as indicated on the map. Buster has with him a specific item, different at each location.

Follow the map and write each item in the space next to its location. Once you have found Buster and filled out all of his things on the map, bring it to the Bowlus to receive your prize and be entered into a cash prize drawing!
